--U. S. Serial No. [[_____]] 09/891,562, filed [[_____]] June 26, 2001, entitled "AN ELECTRONIC CAMERA AND SYSTEM FOR TRANSMITTING DIGITAL OVER A COMMUNICATION NETWORK"; Docket No. 83016/F-P.--

Please replace the paragraph beginning on page 34, line 20 with the following rewritten paragraph:

--In step 526 527, the authorized third party places an order with the fulfillment provider 70, via service provider 80, for the photo product, which includes the selected images from the first user's collection and the second user's collection. In step 528, high resolution versions of the images selected by the authorized third party are transferred from the first user's high resolution collection to the fulfillment provider 70. This may occur immediately if the first user is currently on-line, or at a later time at the next routine communication interval. In step 530, high resolution versions of the images selected by the authorized third party are transferred from the second user's high resolution collection to the fulfillment provider 70. In step 532, the fulfillment provider 70 produces and ships the photo product selected by the authorized third party to the designated address provided by the authorized third party and bills the authorized third party for the photo product. In step 534, loyalty points are assigned to the first and second users, for providing the digital images which were used in the photo product.--
